Amendment to Registration Statement Pursuant to the Foreign Agents Registration Act of 1938, as amended

INSTRUCTIONS. File this amendment form for any changes to a registration. Compliance is accomplished by filing an electronic amendment to registration statement and uploading any supporting documents at http://www.fara.gov.

Privacy Act Statement. The filing of this document is required for the Foreign Agents Registration Act of 1938, as amended, 22 U.S.C. § 611 et seq., for the purposes of registration under the Act and public disclosure. Provision of the information requested is mandatory, and failure to provide the information is subject to the penalty and enforcement provisions established in Section 8 of the Act. Every registration statement, short form registration statement, supplemental statement, exhibit, amendment, copy of informational materials or other document or information filed with the Attorney General under this Act is a public record open to public examination, inspection and copying during the posted business hours of the Registration Unit in Washington, DC. Statements are also available online at the Registration Unit's webpage: http://www.fara.gov. One copy of every such document, other than informational materials, is automatically provided to the Secretary of State pursuant to Section 6(b) of the Act, and copies of any and all documents are routinely made available to other agencies, departments and Congress pursuant to Section 6(c) of the Act. The Attorney General also transmits a semi-annual report to Congress on the administration of the Act which lists the names of all agents registered under the Act and the foreign principals they represent. This report is available to the public in print and online at: http://www.fara.gov.

Public Reporting Burden. Public reporting burden for this collection of information is estimated to average 1.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the

This amendment is filed to accomplish the following indicated purpose or purposes: To give a 10-day notice of change in information as required by Section 2(b) of the Act. To correct a deficiency in Initial Statement Supplemental Statement for the period ending Other purpose (specify) To give notice of change in an exhibit previously filed. 4. If this amendment requires the filing of a document or documents, please list: List of contacts made 5. Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identit of the item in the registration statement to which it pertains. (If space is insufficient, a full insert page must be used.) Based on an agreement in principle on the contract and awaiting foreign government ratification, Registrant began preliminary activities related to the scope of the drafted contract, which included generating briefing materials and holding meetings with Congressional offices. Copies of the materials have been filed, and the list of contacts made related to the initial work are attached here. However, Registrant has now received information that the contract will not be ratified by the foreign principal and thus has ceased all work on the matter as of April 15, and is thus hereby deregistering for the foreign principal.		2.
